Students are encouraged to participate in the development of their curriculum; in addition to selecting from a wide variety of suggested PACS electives, co-majors are able to choose other elective courses with prior consent of the Director. Students are also encouraged to participate in the Peace and Conflict sponsored student groups on campus, such as the WSU junior Rotary service club "Rotaract," which organizes peace related community service projects in conjunction with the Rotary Club of Detroit. Through the Center, students can explore credit for study abroad as well.
