Before officially declaring, we recommend that you have the following:

1. Completed at least two economics courses at Wayne State University (WSU) and received final passing grades.
2. A WSU Overall GPA of 2.0 or better.
3. An Economics (ECO) GPA of 2.0 or better.

Once you have met all three criteria listed above:

Make an appointment with a General Undergraduate Adviser at the David Adamany Undergraduate Library (UGL) who will fill out a

-- General Education Degree Audit (GEDA) -- 2 page form

This will cover all the courses you have taken and will need to take yet for your undergraduate degree. The adviser will sign and date on page 2. The student should sign and date as well. Then a copy or the original should be given to the student. The date on the form will be the official declaration date.

The adviser then forwards the GEDA as a PDF attachment in an e-mail to: WSU Records Maintenance, CLAS (College of Liberal Arts and Sciences Dean’s Office), the Economics Dept., etc.

To finalize the declaration process:

Make an appointment to meet with CHERI – 2074 FAB – (313) 577-3346

There will be a short review of what classes you have taken and need to take yet to fulfill the economics majoring requirements. Additional information will be presented. Any questions or concerns will be addressed at that time.

Note: The last 16 hours must be taken here on the Wayne State University campus.

At least once before you complete your Economics Major you should check again with CHERI to make certain you are on track.

(Continued on Page 2)
-- All declared majors have use of our computer lab (next to the main office) during regular working hours (8:30AM – 5:00PM) – Monday thru Friday. A printer/copier is available in the lab (one card use only) – charged at 10 cents per copy.

-- You can enroll in Omicron Delta Epsilon (International Honorary Society in Economics) if you keep a 3.0 GPA or better – overall and in economics – and have completed at least twelve (12) credit hours of economics classes. It makes a good impression when listed on your resume or vita.

We look forward to meeting you and to having you on board as an Economics Major!
