STEPS TO DECLARE AN ECONOMICS MINOR

Before officially declaring, we recommend that you have the following:

1 – Completed at least two economics courses at Wayne State University (WSU) and received final passing grades.

2 – A WSU Overall GPA of 2.0 or better.

3 – An Economics (ECO) GPA of 2.0 or better.

Once you have met all three criteria listed above:

Make an appointment with a General Undergraduate Adviser at the David Adamany Undergraduate Library (UGL) who will

Send an e-mail indicating you are declaring your minor to: WSU Records Maintenance, CLAS (College of Liberal Arts and Sciences Dean's Office), the Economics Dept., etc. The date of the e-mail or the date given in the e-mail will be your official declaration date.

To finalize the declaration process:

Make an appointment to meet with CHERI – 2074 FAB – (313) 577-3346

There will be a short review of what classes you have taken and need to take yet to fulfill the economics minoring requirements. Any questions or concerns will be addressed at that time.

Note: The last 12 hours must be taken here on the Wayne State University campus.

At least once before you complete your Economics Minor you should check again with Cheri to make certain you are on track. No one likes unwelcome surprises when they are ready to graduate.

PLEASE NOTE:
The difference between a Major and a Minor in economics is only 3 classes and a paper (completed in conjunction with a 5000-level economics course). There are a number of advantages (perks) that come with Majoring. You may wish to further explore Majoring before you make your final decision.

We look forward to meeting you and to having you on board as an Economics Minor!
