[ ] I approve the study; the work will be done under my direction.

Faculty Supervisor's Signature: __________________________ Date:_______

[ ] MAELR Director's Approval: ___________________________ Date:_______

GUIDELINES FOR DIRECTED STUDY

Discuss with faculty supervisor before defining nature, scope, and significance. The description of the study must be typed and attached to this form. The following outline is suggested:

A clear Statement of the research question that will be investigated.

A paragraph on the importance of the research subject to your education.

A paragraph on the plan of investigation that will be used. Include a preliminary bibliography.

A statement about the minimum product or output that will result from the directed study.

A paper no less than 20 pages.

A statement of justification for why this directed study should warrant the number of credit hours requested, and why this directed study is preferred over existing courses available to MAELR students.
