

Learning and Leading During Change

[REGISTER HERE](#)

What do the most engaged and successful change leaders know and do?

Change is inevitable and growing through change is intentional.

Glean deeper insights into your approach toward the change process using a diagnostic tool highlighting four-frames or distinct points of view and learn how to authentically guide others through dialogue and experiences that prompt meaningful learning, build connections and create lasting commitment.

Presenter: Dawn Aziz, Director, Organizational Effectiveness & Continuous Improvement
