Ahmed Syed
Peer Mentor for PHY 2170

**Major:** Electrical Engineering

**Current Career Plan:** Consumer-electronics engineer or Aerospace and electronic systems engineer

**Hobbies:** Soccer, reading, gaming, and circuits.

**Other interesting information:** I lived in Canada for the first 13 years of my life, moving across the various southern provinces and then finally moved to Pennsylvania, U.S.A for high school. After that, I attended Drexel University in Philadelphia for one year and transferred into Wayne State University so that I would be able to stay close to my grandparents.
