Major: Honors Psychology

Current Career Plan: Teacher

Activities at WSU: This is my 6th and final semester peer mentoring for WIDER/BIO1050

Research: I am a research assistant in Dr. Noa Ofen's Cognitive and Brain Development lab at the Institute of Gerontology, looking at memory formation and development.

Hobbies: Listening to music, YouTube, attempting to learn a language, trying to make it through college...

Other interesting facts: I've lived in two countries, visited about seven, and hope to at least double those numbers in the future. In a few years I plan on moving abroad to teach English!
